.....
.....
The address for the Essex Record Office is:

Essex Record Office Wharf Road

Chelmsford

CM2 6YT

Details of how to find the Essex Record Office are available on the [ERO website](#).

The ERO is a 20 minute walk from the railway station and bus station in Duke Street. There are also bus stops at the southern end of Springfield Road and on Parkway, both of which are a short walk from the ERO.

Please note, however, due to works to replace the river bridge located near the ERO entrance, there are diversions in place for footpaths and the main access route to the Essex Record Office is currently from Wharf Road. The footpath along the river from the City Centre is temporarily closed.

The nearest public car park to the ERO during these works will be the Meadows Retail Car Park which can be accessed from the High Bridge Road and Springfield Road roundabout.

There are three parking spaces for Blue Badge holders (available on a first come, first serve basis) close to the public entrance to the Record Office, accessible by a driveway from Wharf Road.

For the AGM, and for the duration of this event ONLY, a limited number of parking spaces are available in the ERO yard. If you would like to book a space, please email neil.wiffen@essex.gov.uk along with your vehicle registration number.
